PERMISSIBLE USES

This letter is a contract of agreement to abide by the permissible uses of the **2009 CTAM Co-op Study, Life Stages & Life Styles: Turning Generational Differences Into Media Opportunities**. This confidential report is property of CTAM, for exclusive, confidential use of the client by whom it is purchased. The client is subject to liability for the unauthorized use, reproduction, republication or divulgence of the contents or any portion thereof. The client is permitted to share this report with members of their own organization. A client's own organization is defined as the individual business unit which functions independently. Interest in companies (either majority or minority interest) does not qualify as their "own organization." Companies which function independently may not share this study with other companies under their parent umbrella. Acceptance of this report constitutes acceptance and acknowledgment of the terms, conditions, and restrictions set forth herein. These obligations are not changed in any way by the publication of CTAM data (in any manner whatsoever) by CTAM or by others. CTAM's prior written approval is required before data from this study can be published or released in any form. Such approval may be withheld unless the quotation is in accordance with CTAM's policies. However, the research client may orally disclose limited portions of the research to nonclients in private meetings, but not for the purpose of subsequent public distribution or disclosure in any form by such client. No officer or employee of CTAM is authorized to give **oral** approval in any form of publication. The client may not use nor permit or allow the use of all, or any portion of, these data in any legal proceedings.
